

A summary

Erasmus+ project 2019 - 2022

Cooperating Actively for Responsibility and Empathy

Erasmus+

The team – 5 schools

Escola Secundária Francisco Rodrigues Lobo, Leiria,
Portugal

Schildtin lukio, Jyväskylä, **Finland**

I Liceum Ogólnokształcące im.M.Kopernika w Toruniu,
Torún, **Poland**

Dr. Knippenbergcollege, Helmond, **The Netherlands**

Wittekind-Gymnasium, Lübbecke, **Germany**

The situation at the beginning / “needs“

students:

lack insight into the world of work

lack social sense of responsibility

schools:

lack of contacts to social institutions

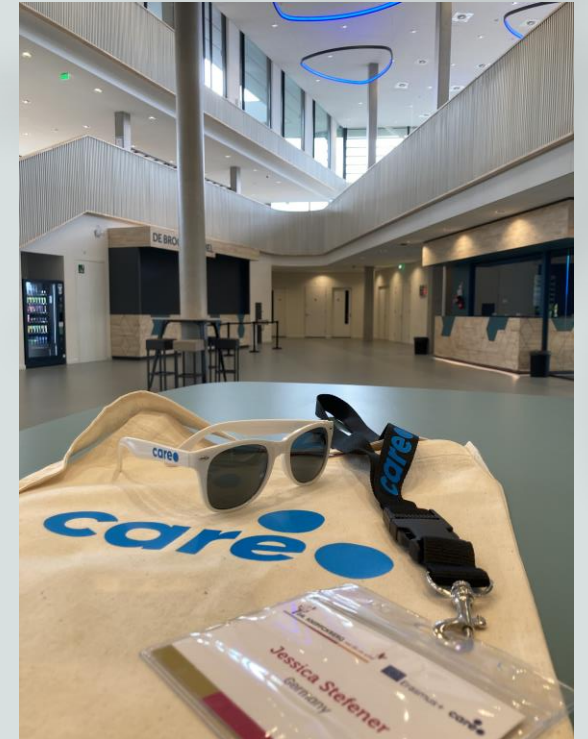

lack of know-how → to prepare students

lack of work-experience programmes

Objectives

- improve students' preparation for the job market
 - encourage social solidarity and social awareness
 - promote compulsory internships
-
- overcome prejudices
 - help students to appreciate social professions

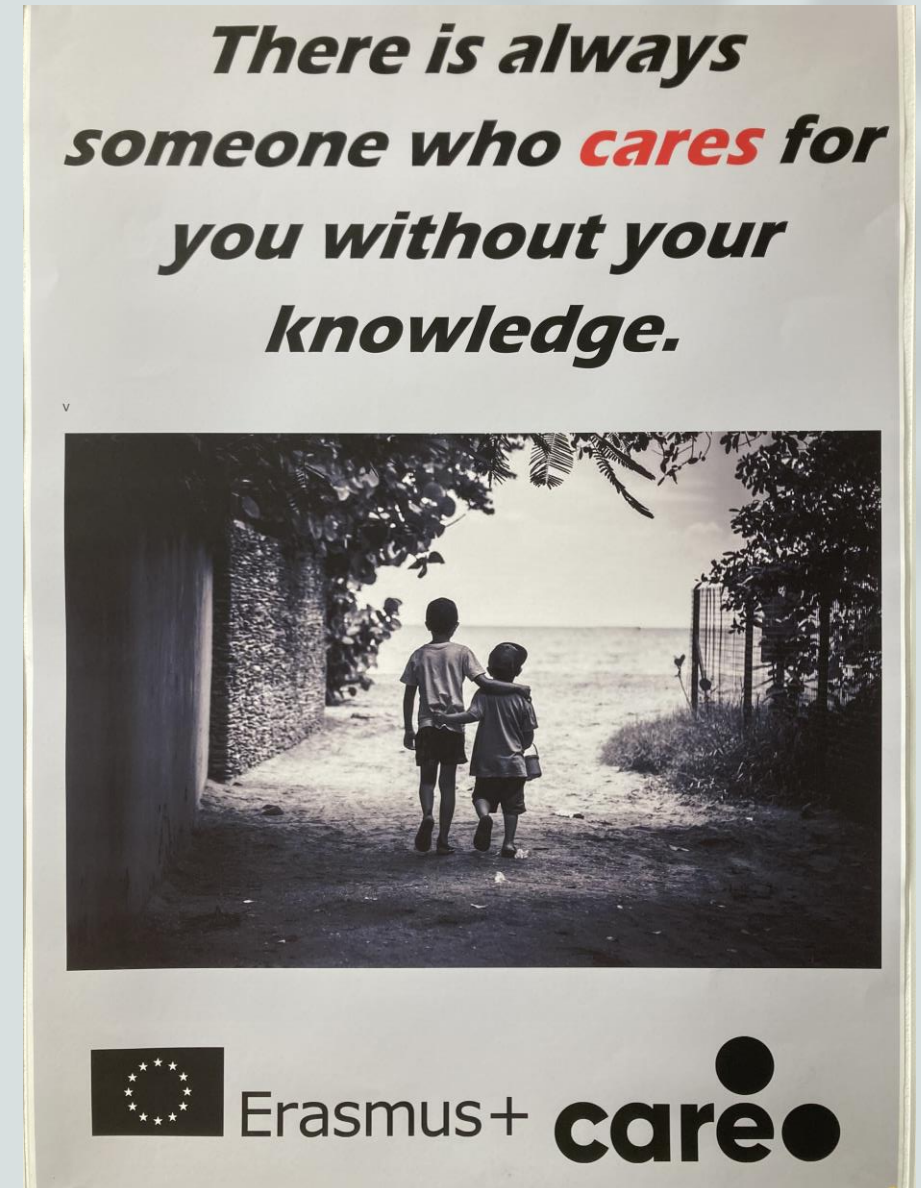

The main CARE activities

- conferences
- internships
- charities
- fundraising
